GEORGIA
STATE ASSOCIATION

ADVERTISING & SPONSORSHIP OPPORTUNITIES

To promote personal growth and leadership development through Family and Consumer Sciences Education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

FCCLA.....What's it all about?

Family, Career and Community Leaders of America (FCCLA) is a nonprofit national Career and Technical Student Organization for young men and women in Family and Consumer Sciences Education in public and private schools through grade 12.

FCCLA has more than 160,000 members and more than 7,000 advisers from 50 state associations and the District of Columbia, Puerto Rico, and the Virgin Islands. The organization has involved more than 10 million youth since its founding in 1945.

FCCLA is unique among youth organizations because its programs are planned and run by members. It is the only Career and Technical in-school Student Organization with the family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers, and communities.

Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life-planning, goal setting, problem solving, decision making, and interpersonal communication necessary in the home and workplace.

Georgia leads the way.....

Chapter members and advisers have the opportunity to participate in leadership conferences, professional development, competitive events, and lots of fun!

Each year Georgia FCCLA chapters have the opportunity to enter their National Program Projects for state awards. Georgia FCCLA awards the top winners in each National Program area at our State Leadership Conference in March. National Program Sponsorships will include recognition during the opening session, recognition in the annual report, recognition in the conference program, signage at the conference, website link on the Georgia FCCLA website, and presentation of National Program Award.

LEADERSHIP MEETING SPONSORSHIP **OPPORTUNITIES**

Fall Leadership Conference

The Fall Leadership Conference provides students and advisers the opportunity to learn about membership recruitment, how to become the voice of FCCLA in their community through public relations, upcoming leadership opportunities, teambuilding and goal setting, new competitive events, chapter community service projects, and state leadership opportunities.

Fall Rally

Fall Rally is a great opportunity for chapter advisers to recruit members and give them a taste of what FCCLA is all about. Held at the Georgia National Fair, members and advisers will attend a motivational rally that includes a performance from the state officer team and a keynote speaker. Following the rally members have the chance to walk through exhibits, watch the FCCLA knowledge bowl and Culinary Competitions, enjoy delicious “fair food” and hop aboard the fair rides.

FCCLA Day at the Capitol

FCCLA Day at the Capitol allows members and advisers to be an effective voice for our organization. A visit to the state capitol offers students an opportunity to view first-hand the state government in action and to learn about the judicial and lawmaking process. It is our best opportunity to inform legislators of the value of our Family and Consumer Sciences program and career and technical student organization, FCCLA, and to promote, in person, our legislative priorities. Chapters attend one day on a rotational basis throughout the week.

State Leadership Conference

State Leadership Conference is held every spring. Highlights include: new state officer elections, state STAR Events competitions, state event competitions, Career & Trade Expo, presentation of awards and scholarships, tours, and a look back at the year in review.
