When I was a FCS teacher/FCCLA Adviser, I called Oct./Nov. "The Fall Blues" because it was always jammed packed with community events and Georgia FCCLA events... and I always felt underprepared and overwhelmed. Delegate work to your officers to reduce your workload.

I know you are preparing for State Leadership Conference... but March is also a good time to start looking at Nationals. National FCCLA usually opens registration March 1st, so you'll have the base amount for registration & hotels. Start talking now to your STAR Events competitors about the cost to attend NLC and if they/their guardians are interested in attending.
