## Multiple Release Forms

All members must have a completed [Multiple Release Form](#). These forms will not be collected by Georgia FCCLA. The adviser should have copies during the Day at the Capitol.

## Directions and Parking

### Directions

Maps and directions to the State Capitol can be found here:

<http://www.libs.uga.edu/capitolmuseum/about/directions.html>. Allow plenty of time to arrive, as Atlanta traffic will be heavy. If you have a long distance to travel, you may consider spending the night in Atlanta.

### Parking/Transportation

Buses and 15-passenger or larger vans are allowed to park on the west side of Washington Street in front of the Capitol on most weekdays. Capitol events or security threats may make this space unavailable. In those cases, buses will be rerouted by Capitol security.

Public parking is available in several locations surrounding the Capitol. Parking fees vary by lot. Certain lots may be closed due to the legislative session.

MARTA is also an option for transportation to the Capitol. MARTA exits located nearest the Capitol are the Georgia State Station (directly across from the Capitol in the Floyd/Twin Towers complex) or the Five Points Station (two blocks west of the Capitol at Underground Atlanta).

## Competitive Event

This competition is to assist with advocacy efforts surrounding Day at the Capitol: [Legislative Leaflet Competition](#).

## Entrance to the Capitol/Security

For the protection of state officials and the security of state records and property, security booths are located at each entrance to the Capitol. School groups usually enter the Capitol at the Capitol Square SW entrance and will go through metal detectors. Your group should register at the security booth inside the door. *Adult chaperones must show photo identification.*

Students and chaperones are required to pass through a metal detector in a single file line. An x-ray machine will examine all backpacks, purses, and packages. Students should not bring radios, headphones, knives, or any sharp objects into the Capitol. It may take up to an hour to pass through security. Please make sure you allot time for this.

## Check-in

Plan to CHECK-IN with Georgia FCCLA from 8:30 – 11:30 am. If you have appointments with your legislators, you will be given a folder of information for your meetings with the legislators (if requested during registration). At this time, you could have a group picture with State and Region Officers on the steps of the Rotunda.

## Appointments with Legislators

Call or e-mail your legislator ([find them here](#)) with the date you will be at the Capitol to request a meeting. Georgia FCCLA will provide a folder with National FCCLA and Georgia FCCLA information, as supplies last. The Legislative Leaflet with chapter specific information can be given to the legislator as well.

When meeting in chapter groups with a legislator, remember the following.

- *Be On Time* – Members of the legislature are very busy, so don't be late for a scheduled appointment.
- *Remain Calm* – Put your leadership skills to work. Speak clearly and establish eye contact during your visit.
- *Be Prepared* – Tell your legislative leader why you are in Atlanta and what FCCLA is all about.
- *Be Reasonably Brief* – Remember to state your opinions as concisely as possible.
- *Remember to Say Thank You* – Thank your legislative leader for his or her time and consideration of the important issues.

### **Key Points to Cover About FCCLA**

Express appreciation for funding and comment as to how this funding is essential in order for our organization to provide opportunities and services to members. Students could then give a few key points related to how FCCLA programs have benefited them. Concentrate on leadership development, career exploration and career skills development, community service, and family emphasis.

*Don't have appointments scheduled with your legislators?* Visit their offices while at the Capitol to see if they are available for a quick conversation or picture with FCCLA chapter members.

## Gallery Information

Currently, the galleries are not open to the public during visits to the Georgia State Capitol.

Teachers who wish to visit the viewing gallery of the House or Senate chambers should inform the staff outside the galleries and notify them of the number of students in their group. It may be necessary to wait 10-15 minutes to observe lawmakers in action. Students should be reminded that important state business is being conducted in each chamber. All visitors to the galleries must remain seated and quiet and may not applaud. Students are not allowed to lean on the gallery railing from the first row. *Applause, hisses or other noises in the House or Senate gallery or in the lobbies during any speech or legislative proceeding shall be promptly suppressed.*

### **Cameras Inside the Capitol**

Photography is prohibited in the House and Senate galleries while the legislature is in session. Video cameras are also prohibited during the legislative session. If the General Assembly is not in session, flash photography is permitted as it is throughout the public areas of the Capitol.
