

Lily Alarcon

MEMBER OF THE MONTH

Feagin Mill Middle School has 340 affiliated FCCLA members. Our paid membership increased from 60 to 78 this year.

Family and Consumer Sciences (FACS) is an important class because it teaches students to balance personal, family, and work responsibilities. FCCLA (Family Career and Community Leaders of America) is a major part of the curriculum. As you take this course you learn very quickly there are important reasons be involved in FCCLA and FACS.

"I remember being in the legislature and having students from FCCLA come up to the capitol to visit. However, I didn't fully know how important this organization is for young teenagers until my kids got into middle school. FCCLA works to prepare students to be productive and responsible members of our communities when they become adults."

A direct quote from Heath Clark-House of Representatives 2015-2023

## The Fair Booth Team

We received 2nd place in the fair booth. The booth informed our community of all the great things about FCCLA. Our adviser, Mrs. Duke along with four FCCLA members Arav (Region 7 Officer), Shelby, Dana, & Madilyn spent months gathering information/material. We then took five hours to set it up at the fair.

# CHAPTER PROJECTS (SMALL SAMPLE)

Honduras Project

Pepper  
Palooza

Booth Team

Feagin Mill Middle School FCCLA has completed five community service projects. These projects have impacted many in our community and beyond. We helped a minimum number of 400 people. One of our community service projects was sending needed items to an orphanage in Honduras. Another recent project was to raise awareness of FCCLA with a booth at the Georgia National Fair. .

# WE ARE FCCLA.

FCCLA instills great qualities in its members such as leadership and essential life skills. It also teaches students about facing challenges in life in order to be successful.
