IMPAIRED DRIVING Schoolwide
Initiative.

WHO IS EARLY COUNTY FCCLA?

We are the Family, Career, and Community Leaders of America. At our school we strive to provide our student leaders with the ultimate leadership experience. Through our Community Service Projects (Childhood Cancer Awareness Initiative, Breast Cancer Walk, Trunk or Treat, Pumpkins on the Square, Adopt a Lil Brother and Sister), School Service Projects (School Clothing Closet Initiative, Once a Bobcat Always a Bobcat, Officer Training Programs, and Competitive Events), and Regional/State/National State Events there are no dull moments with FCCLA. We may have a small town, but we have a BIG HEART.

WHO ARE WE...

We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future, homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams. We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope.

ECHS FCCLA

OUR CAREER PATHWAYS

Enrolling in Family and Consumer Science and being involved in FCCLA can open the door to these opportunities and more! To learn how you can become involved, read on!

NUTRITION

Nutrition & Wellness: Develop an understanding of nutritional needs and food choices for optimal health.

Food for Life: Address the variation in nutritional needs at specific stages of the human life cycle.

Food Science: Evaluate the effects of processing, preparation, and storage on the quality, safety, wholesomeness, and nutritive value of foods.

Work-Based Learning: Develop a relationship with an adult who shares your career interest. Gain job readiness and specific job skills at a work site.

EARLY CHILDHOOD

Early Childhood Education I: Address the attitudes and behaviors of individuals supporting developing infants and children. Early Childhood

Education II: Learn the requirements for establishing and maintaining a safe, healthy learning environment.

Early Childhood Education III: Prepare for careers in ECE. Work at Elementary School in classrooms.

1 BE A LEADER

Serve as an assistant, chapter, state, or even national officer, and by serving on the Youth Leadership Board.
