

Teaching Pathway students after teaching out in their classroom for the day!

TEACHING AS A PROFESSION PATHWAY

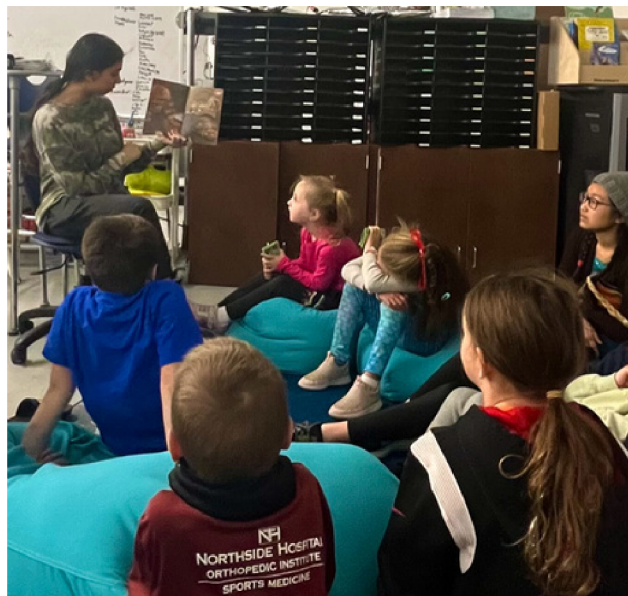

Students are introduced to the foundations of education, combined with knowledge and skills, gained both in the classroom and in the workplace, to prepare students for a career in Education. During the practicum course, students are given the opportunity to use the skills taught in the classroom in a real-world experience.

Benefits:

- Real-World Work Experience
- Public Speaking Skills
- Higher Graduation Rate
- College Credit

WHY ARE FAMILY CONSUMER SCIENCE COURSES IMPORTANT?

- A head start into your preferred career and an inside look into your interest and hobbies. Allowing students to have confidence in what they want to study in college.
- Making connections with local business and community stakeholders in your desired field.
- Students have the option to apply for internships to learn more knowledge related to pathway.

CULINARY ARTS PATHWAY

Students are introduced to fundamental food preparation terms, concepts, and methods in culinary arts where laboratory practice will parallel class work. Fundamental techniques, skills, and terminology are covered and mastered with an emphasis on basic kitchen and dining room safety, sanitation, equipment maintenance and operation procedures. The courses also provide an overview of the professionalism in the culinary industry and career opportunities leading into a career pathway of culinary arts.

Benefits:

- Basic Home Economics in the Kitchen
- Certification in Food Safety
- Higher Graduation Rate

OUR IMPACT ON FORSYTH COUNTY

Our chapter aims to touch
**4000+ COMMUNITY
MEMBERS PER YEAR**

through volunteering at activities like Meals by Grace, Trunk or Treat, Fall Festival, and food/clothing drives. We also work with our feeder elementary and middle schools to ensure a strong partnership and develop relationships with future FCCLA members. Lastly, we collaborate with other CTSOs at DHS we are able to make a school-wide impact. Recently, we donated over 3,000 food cans to a local food bank.
