Georgia CTI, a Georgia CTSO, supports students with disabilities enrolled in Career, Technical, and Agricultural Education courses.

Georgia CTI collaborates with the **Georgia Vocational Rehabilitation Agency (GVRA)** to provide financial support for students attending conferences and events, as well as post-high school services. GVRA has recently added the Fall Leadership Rally to the list of events they are willing to **financially support for students with disabilities**. Since Georgia CTI and Georgia FCCLA share the Fall Leadership Rally at the Georgia National Fair, the Executive Director of Georgia CTI has extended this opportunity to Georgia FCCLA. The Georgia FCCLA Board of Directors approved this opportunity at their June Board Meeting.

FCCLA®

FCCLA is pleased to announce a new exclusive partnership with Uniforms Today, the official supplier of the next generation of FCCLA blazers. These updated blazers will boast a modern design, including the FCCLA logo on the upper left chest so that the logo appears better in photos and in public gatherings.

The current blazers featuring the patch on the pocket remain approved for official FCCLA events; although replacing current blazers is not a requirement, those looking to purchase new ones or preferring the updated style will find the new blazers available for order from Uniforms Today starting this summer.

For your convenience, a QR code is provided so you can easily place your orders for the new blazers and all your uniform needs. Please stay tuned for their availability and welcome the opportunity to showcase your FCCLA spirit in style.
